DONATE

We solicit the support of our community and friends as donors for they enable Project Redemptive Love to accomplish its mission as a non-profit, faith-based organization that assimilates at-risk families into a nurturing culture that restores hope, self-worth, character, and life skills necessary to become functional families, contributors to society, and good citizens. The donors' support keeps Project Redemptive Love operating and allows our programs to expand. As Project Redemptive Love succeeds, so do the families in our community.
