Project ***R***edemptive ***L***ove is a non-profit, faith-based organization established by Woodstream Church and Woodstream Christian Academy. The mission of ***P***roject ***R***edemptive ***L***ove is to assimilate at-risk families into a nurturing culture that establishes or restores hope, self-worth, character, and life skills necessary to be functional families, contributors to society, and good citizens. We believe that one major component of the assimilation process is **education**.

Project ***R***edemptive ***L***ove offers an after-school tutoring and academic enrichment program. The purpose of the after-school tutoring program is to increase academic achievement in reading, language arts, and math and to enable the students to attain proficiency in meeting established federal and local standards. The highly qualified staff at ***P***roject ***R***edemptive ***L***ove work directly with the children's teachers and provide information to teachers and parents on the students' progress and attendance. At this time the program is available to children in Grades 1-6 on Tuesday and Thursday evenings from 3:30 PM – 6:00 PM. In the near future, we will target nearby Middle Schools and High Schools. In addition to tutoring, we wish to go into schools and provide one-on-one mentoring opportunities.

Additional goals for ***P***roject ***R***edemptive ***L***ove are to provide GED and literacy instruction; a pregnancy center; abstinence education; health information; parent education; parent-to-parent support groups; child development activities; character education, leadership and service classes; and training on stress management, time management, money management, conflict resolution techniques, etc.

If you wish to assist on this Project or receive more information, please call 301.883.8160. Monetary donations may be made payable to "***Woodstream Christian Academy***."

We sincerely appreciate your prayers, donations, and support. Thank You!
